Waldbad Schoppernau

OPEN | OUTDOOR POOL

Gräsalp, 6886 Schoppernau

Waldbad Schopernau

On hot summer days, the Waldbad Schoppernau attracts visitors with shady spots under the tall fir trees. Those who want to swim can do their laps in the 25-metre pool.

The actual opening times depend on the weather. The outdoor pool is only open in good weather. If in doubt, please contact the outdoor pool.
