Tour description

2-Tages-Tour im Naturschutzgebiet Faludriga Nova mit Übernachtung auf der Freiburger Hütte

The hike starts at the hiking car park in **Marul**. The gently ascending trail first follows the paved road towards **Garfülla** and **Fuchswald Alpe**. Continuing uphill, you follow the old alpine road to **Alpe Laguz**. After a relaxing break in the cozy *Stüble* (mountain hut restaurant), you continue to the **Obere Laguzalpe**. Alternatively, this section can also be covered using the hiking bus line 576 from Marul Church. From Laguz, a hiking trail leads via *In der Enge* to **Lake Formarin**.

After about **5¼ hours**, you reach the **Freiburger Hütte**, beautifully situated by the Formarinsee beneath the **Rote Wand** mountain. Your overnight accommodation offers bright, comfortable rooms and dormitories, as well as excellent cuisine.

On **Day 2**, you hike back to the junction at *In der Enge*. From there, take the left-hand trail across the **Schwarze Furka** into the **Faludriga-Nova nature reserve**. The route then descends to the **Fuchswald Alpe**. To avoid taking the same path back as on the first day's ascent, you can alternatively follow the **Marul Forest Adventure Trail (Walderlebnispfad Marul)** back to the hiking car park.
