Löffelspitze 1,962 m | Blons - St. Gerold

MODERATE | PANORAMIC | SUMMIT TOUR | FROM A TO B

Tour description

One of the most beautiful mountain tours leads past the Sentum Alpe up to the Löffelspitze at 1.962 m.

From Blons, the trail leads partly along a footpath and partly along the road up to Oberblons. From here follow the signs towards Sentum Alpe or Löffelspitze - this route takes us via Hüggen Alpe and a footpath to Sentum Alpe. Summit strikers reach the Löffelspitze with an altitude of 1.962 m after a further 300 m and 1 hour walk.

From the Löffelspitze we return to the Sentum Alpe. The leisurely high-altitude trail continues to Plansott Alpe. From Plansott, the route goes back down to St. Gerold, partly on footpaths and partly on the road.

From St. Gerold you can return to the starting point with the bus line 570.

Public transport
