Included services

SÖF: The band SÖF has been an integral part of the **Vorarlberg music scene** since **2019**. The name is witty – just like their songs: "Söf" is not only a traditional short form of "Josef," but also the charmingly wobbly mascot of the band – a true wobble dachshund with **cult factor**.

The Goonies: Dive into the sound of the 80s! The Goonies bring the biggest hits of this legendary decade back to the stage – from **Toto, Tears for Fears, and Queen** to **Depeche Mode, Elton John, and Bon Jovi**. Energetic, danceable, and full of nostalgia – this band guarantees sing-along moments and pure 80s vibes!

KABELBRUCH: KABELBRUCH stands for powerful rock/pop covers from the 80s to today. With songs from **Metallica to Melissa Etheridge to Florence + The Machine**, they bring the atmosphere to the outdoor pool.
