City- & Landmarket with focus ceramics

🕒 Saturday 8:00 o'clock

Duration: 4 hours

On July 19, we will also be inviting experts on the subject of ceramics and clay art.

Description

Every week, the town center of Bludenz's old town is populated by green and white market stalls. Here, cheerful market traders present their abundant fresh produce from the region, pluck the organic goods with love and sensitivity into the baskets and crates and invite visitors to taste them.

On July 19, we will also be inviting experts on the subject of ceramics and clay art. In a small exhibition of pottery from 4-5 stands, the lovingly crafted tableware sets and accessories will be presented.
