The opening weekend of the Kultursteg Walgau under the title "Dussa 25" in Bludenz will be enriched with a variety of program items.

Description

"PURE" is a term that is used in various contexts and refers to an unadulterated, clear or original quality . In architecture or design, the term "pure" can reflect minimalist principles that focus on form and function, without superfluous ornamentation or distraction. In keeping with this approach, the opening weekend of the Kultursteg Walgau will be entitled "Dussa 25" in Bludenz and will be enriched with a diverse program.

The Vorarlberg band Brainfish will whisk you away into a unique, incomparable world of sound. The special sound, which moves between melancholic singer-songwriter elements and experimental nature sounds, contains many different instruments: from didgeridoo to saxophone to cello and other percussion instruments such as tongue drum or handpan. Electric piano and electric bass or even the electric violin hint at the richness of the harmonies. Drums, voice and lyrics form inseparable units with the other instruments.
