CHURCHES/MONASTERIES/CONVENTS

 St. Peter-Strasse 45, 6700 Bludenz

The Sankt Peter convent is a Dominican convent. The convent is located on the eastern outskirts of Bludenz, at the entrance to the Montafon and Klostersalpe valleys. It is the oldest still in existence in Vorarlberg.

Since 1286 the Dominicans live here. It is an adventure to experience monastic life for a few days or weeks to refuel and to experience that there is something that makes you happy from within, that makes you breathe a sigh of relief and find your true purpose. The silence and the monastic atmosphere open the heart for God and the people.
