

Zugerbergbahn Cable Car

MOUNTAIN/CABLE RAILWAY

SEILBAHN

 Zug 355, 6764 Lech am Arlberg

Take the Zugerberg cable car to Balmalp at an altitude of 2,100 metres.

The Zugerberg cable car, which was only built a few years ago, impresses with its modern 10-seater cabins, which transport guests to the mountain station at an altitude of 2,100 metres in just a few minutes. There is also plenty of space for mountain bikes, pushchairs and wheelchairs, which can reach Balmalp barrier-free from the mountain station.
