

Rhine water falls in Schaffhausen

WATERFALL

NATURAL LANDMARK

📍 Rheinfallquai 32, 8212 Neuhausen am Rheinfall

Rhine water falls in Schaffhausen - visit one of the largest water falls in Europe!

Detailed description

Rhine water falls in Schaffhausen

Bludenz -Hohenems/border CH - from Rorschach the route goes along the Swiss bank of Lake Constance to Stein am Rhein, where the Rhine leaves Lake Constance. The next stop is Schaffhausen with beautiful houses from Gothic and Baroque periods and also historic fountains. At the edge of the town are the Rhine Falls. It is one of the largest waterfalls in Europe - 150 metres wide and 23 metres high.
