COFFEE SHOP/PASTRY SHOP

Welcome to Grandma's and Grandpa's public living room, Vorarlberg's first "The More-than-Generations Café."

Where the cake tastes of love, and grandma and grandpa bring the coffee. At "Ahna und Ähne," there are not only the best recipes from grandma's secret drawer, but also plenty of warmth and good conversations. Here, Ahna's and Ähne's bake and cook whatever the heart desires. And all of this with one goal: loneliness and poverty in old age are not allowed here!
