Tour description

Along the municipalities of Nüziders, Bludenz and Braz, a cultural-historical theme trail, the "Sunna Trail", has been inspiring visitors since summer 2019. The second stage leads from the Daneu bridge in Bludenz to Rungelin.

The tour starts at the Daneu bridge in Bludenz. At the moated castle, the forest trail starts along the forest nature trail in the direction of Hinterebene. Along the way you always have the opportunity to take a short break or enjoy the sensational views of Bludenz. On the Hinterebene there is a larger rest area and several vantage points.
