City Tour | Bludenz

EASY | ROUND TRIP

Tour description

Medium-length running route through the centre of Bludenz towards the train station and with quieter sections along the banks of the Ill.

From the starting point at the stadium, this route, which is entirely on asphalt, starts in a westerly direction following Untersteinstraße. On the pavement along the main road, you have to cross several crossroads again and again until you finally reach the railway subway and change to the other side and reach the banks of the Ill. From here, follow the traffic-calmed road in a north-westerly direction, always staying parallel to the Ill. After a loop, you come directly to the bank of the Ill and now follow the footpath and cycle path back. From here you walk exactly one mile (1.600 m) upstream until you leave the bank and cross over to the other side of the railway through a short zigzag run and a railway subway. Passing the Getzner Werke, you reach the main road from the outward run again and follow it northwards to the Sparkasse. Take a detour along Schillerstraße and return to the starting point.
