Rungeliner Trail Loop | Bludenz

MODERATE | PANORAMIC | ROUND TRIP

Tour description

Short but intense trail run with breathtaking panoramic views up to the Montikel and back via Rungelin.

From the start, the route heads west for approx. 1.7 km, past the old town centre and the retirement home. Immediately after the old people's home, the trail enters the forest and climbs up to Montikel with several viewpoints and a breathtaking panorama over Bludenz and the Klostertal. The trail continues uphill along the edge of the terrain in an easterly direction. Continuous concentration is required on the branching paths to avoid stumbling. After around 1.4 km, you reach the Haldawässerle, the highest point of the tour at approx. 790 metres. From here, the route continues downhill on forest paths to the houses in Rungelin. Once you have reached the valley floor, the last kilometre is along the Haldenweg back to the starting point.
