Nüziders Tour | Bludenz-Nüziders

EASY | PANORAMIC | ROUND TRIP

Tour description

Beautiful running circuit westwards to the municipal boundary of Nüziders on mostly traffic-calmed roads and smaller paths.

From the start, the first part of the route runs parallel to the City Tour and the Brunnenfeld-Loop along Untersteinerstraße. At the Herrengasse junction, the route branches off to the right and leads slightly uphill towards Oberes Tor. Cross the road there and continue along St. Annastrasse - you walk approx. 1.3 km westwards, crossing the Galgentobel and the border of Nüziders and entering a traffic-calmed area (Rafaltenstrasse) of Bludenz. Now you run an anti-clockwise loop (Zollgasse - Im Hag) through a quiet and beautiful residential area into Nüziders. From there, the route runs half on tarmac, half on the forest path, alongside fields and along the railway tracks over a slight ascent back to the intersection of the loop. Back in the town centre of Bludenz, you follow the same route as on the outward journey, partly downhill past the old town and back to the starting point at the stadium.
