Short City Tour | Bludenz

EASY | ROUND TRIP

Tour description

Ideal beginners' circuit in a clockwise direction via the Val Blu leisure pool and the eastern part of the city back to the starting point.

The short city circuit is ideal for beginners or as a warm-up before another training session in the stadium. From the starting point at the stadium, the route heads in an easterly direction. Past the stadium and the Val Blu leisure pool, follow the road to the Neyer carpentry workshop and turn left onto a forest path. Follow the forest path along the residential area for approx. 500 metres before leaving the softer ground and switching back to asphalt. The route now heads north-west towards Schillerstraße, which you follow past the New Apostolic Church to the Bludenz secondary school. One last change of direction and you are already on the home straight of the route, which runs parallel to the city circuit. After approx. 2.7 km, you return to the starting point at the stadium.
