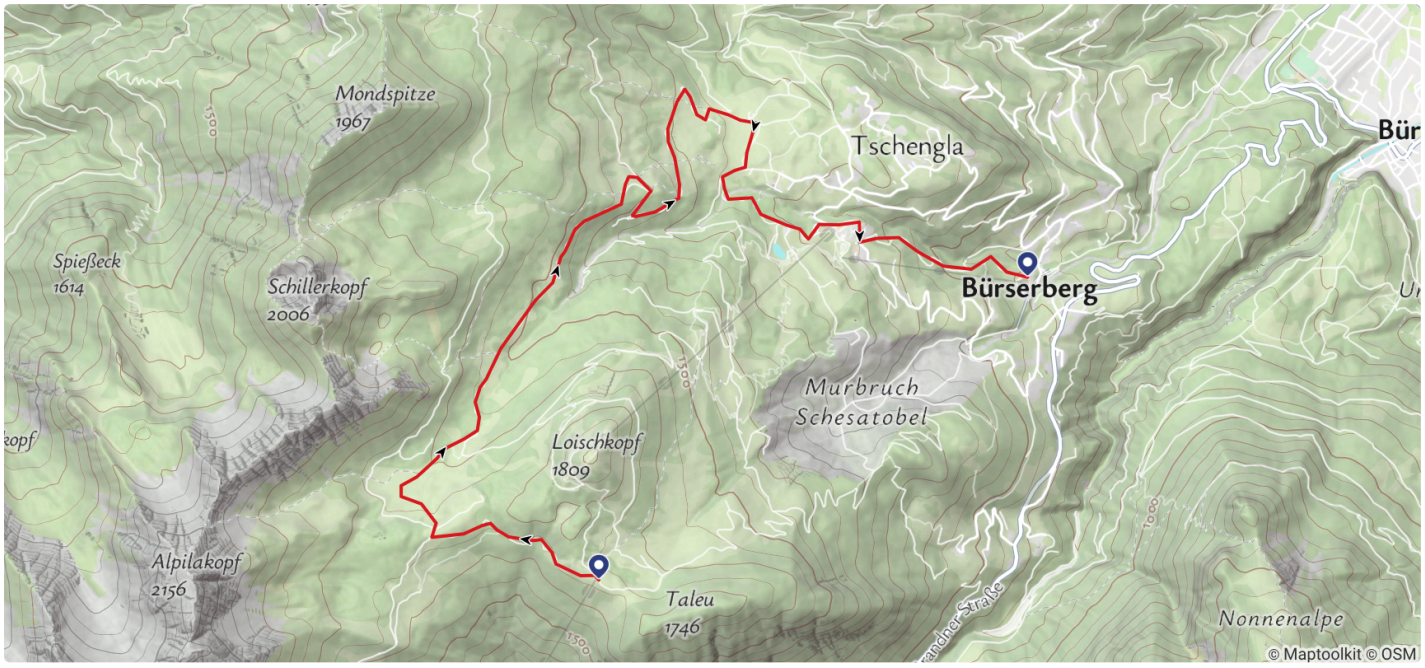
MODERATE | PANORAMIC | FAMILY-FRIENDLY | CABLE CAR ASCENT/DESCENT | FROM A TO B



Tour description

For young and old, the toboggan safari offers a combination of tobogganing and winter hiking with unique views.

The tobogganing safari leads from the mountain station of the Panoramabahn down to Bürserberg, and you can get back to the starting point by bus. Families can spend the whole day tobogganing, winter hiking and enjoying the fantastic views - in between fast descents there are always quiet passages where you can enjoy the wintry nature and the breathtaking views.

The entire toboggan safari route is marked with red signs.

If the Löcher toboggan run is not in operation, the descent to Bürserberg is by chairlift Einhorn I.
