Tour description

Hike from the Brandnertal valley into the Rellstal valley to the Heinrich-Hueter hut.

The hike starts after the ascent with the Lünarseebahn directly at the mountain station of the Lünarsee cable car. From the Douglass hut you hike to the left on the Lünarsee circular trail over the mighty Lünarsee dam wall. Follow this trail until you reach the turnoff to the Lünarkrinne. From here, the trail continues along the Lünar Weg and the Gipsköpfleweg directly to the Heinrich-Hueter Hütte. The Heinrich-Hueter hut is ideal for an extensive rest before returning to the Lünarsee along the same path.
