Hinterburgweg-Letschaweg | Bürs

EASY | REFRESHMENTS | ROUND TRIP

Tour description

The Hinterburgweg-Letschaweg is a nice option for leisurely walks in Bürs.

The start of this circular tour is at the village square. From here, the trail leads via Werkstraße to Hinterburgweg. Follow this and then walk along the Letschaweg, always along the edge of the forest. The Letschaweg leads down to the jogging track towards Lorüns. From here the trail continues and merges into the Aulandweg. Follow the Aulandweg in the direction of Zimbapark. Turn left at the Unterrainweg junction and follow the path to the Frick nursery. From here, continue to the transformer station/Werkstraße and then follow this to the starting point. A small but relaxing loop to free yourself from the stress of everyday life.
