To the Sarotla Hut | Brand

MODERATE | REFRESHMENTS | PANORAMIC | THERE AND BACK

Tour description

At the foot of the Zimba, the Zwölferkopf and the Gottvaterspitze lies the rustic Sarotla Hut at the end of the Sarotla Valley.

From the center of Brand, hike out of the valley along the Alvierbach trail until you reach the "Sarotla Tal - Sarotla Hütte" turnoff. The trail branches off to the right here. The well-signposted path through the Sarotla Valley climbs moderately and leads past thundering waterfalls and alpine pastures covered with mountain pines to the Sarotla Hut. After a stop for refreshments, the way back follows the same route.
