Burtscha-Tour | Bürserberg

EASY | REFRESHMENTS | ROUND TRIP

Tour description

Short, signposted beginner's ski tour from the Tschengla up to the Burtschasattel.

The start of this tour is at the Tschengla hiking parking lot (P3) on Bürserberg. The signposted ski tour route no. 1 "Burtscha Tour" leads along the winter hiking trail to the BERGRESTAURANT FUCHSBAU. Below the ski hut, follow the signs towards the Burtscha Alpe and from there via the ascent track up to the Burtschasattel. After a stop at the Frööd restaurant, the descent is via piste no. 26 down to the high of the BERGRESTAURANT FUCHSBAU. From here continue via ski route no. 17 (winter hiking trail) to the starting point at the Tschengla hikers' parking lot.

Please note for skiing down the slopes:
The ski slopes are closed daily from 17:00 to 08:00! Skiing on the closed slopes during this time is prohibited without exception.

The information on elevation gain, distance, time, and the route shown on the map refers exclusively to the ascent, not to the descent.
No liability can be accepted for the accuracy of the information can be accepted. Ski touring in alpine terrain is always at your own risk.

Safety instructions

www.alpenregion-vorarlberg.com/sicherheitstipps-winter

Despite good signposting, caution is advised in bad weather (fog, heavy snowfall). The decision and responsibility still lies with each ski tourer himself. Please note: The ski slopes are closed daily from 17:00-08:00! During this time there is no danger protection! There is a risk of injury from piste grooming, ruts, winch cables, exposed cables and hoses from the snowmaking equipment. Skiing on the closed slopes is prohibited without exception.

Safety tip for ski tours in Vorarlberg

EMERGENCY CALL
140 Alpine emergencies Austria-wide
144 Alpine emergencies Vorarlberg
112 Euro emergency call (works with any cell phone/network)

Despite good signposting, caution is advised in bad weather (fog, heavy snowfall). The decision and responsibility still lies with each ski tourer. Please note: This tour is only possible when the route is open. If the avalanche risk is too high, the paths to the Schattenlagan hut may have to be closed. Pay attention to the avalanche report and the information boards and trail closures at the start of the route.
