To the Untere Brüggele Alpe | Brand

EASY | REFRESHMENTS | PANORAMIC | FAMILY-FRIENDLY | THERE AND BACK

Tour description

Hike through the Zalim valley past the Glingabrunnen fountain to the Untere Brüggele Alpe.

The way to the Untere Brüggele Alpe runs mostly in the shade of trees along the Palüdbach, worthwhile especially in dry and warm weather. The Glingabrunnen, a series of springs, is halfway along the way. The trail starts in Innertal and leads along a hiking trail into the picturesque Zalim valley to the Untere Brüggele Alpe, which invites you to stop for a break. Return via the same path or along the forest road.
