Loischkopf Tour | Bürserberg

EASY | REFRESHMENTS | PANORAMIC | SUMMIT TOUR

Tour description

Ski tour first on ski slopes, later through the forest to the summit of the Loischkopf.

The starting point for this tour is the valley station of the Loischkopfbahn on the Tschengla in Bürserberg. From there, take piste no. 23 in the direction of the BERGRESTAURANT FUCHSBAU. At the BERGRESTAURANT FUCHSBAU, turn left along piste no. 26 until a track branches off to the right into the forest towards Loischkopf. Zigzag through the forest and in gentle hairpin bends to the summit of the Loischkopf.

The ascent to the Loischkopf is only permitted via this corridor. An earlier ascent through the forest is expressly prohibited due to the year-round wildlife rest zone for the protection of capercaillie. Evening ski tours should be reduced to ski tour evenings in order to protect the quiet zones in the long term.

Departure via the pistes of the Brandnertal ski area. **Please note when descending the ski slopes:** The ski slopes are closed daily from 17:00 to 08:00! Skiing on the closed pistes is prohibited without exception during this time (with the exception of ski tour evenings). No liability is assumed for the correctness of the information. Ski tours in alpine terrain are always at your own risk.
