Kinderprogramm - Landart

Wednesday 10:00 o'clock

A special day full of creativity in nature awaits you on Wednesday, 30 July! Together with the Berggartenreich Damüls association, you will create impressive works of art from natural materials - in keeping with the LandArt motto. LandArt is a special form of art in which only things from nature are used.

Whether stones, leaves, wood, moss or flowers - you collect, lay, build and design your own works of art outdoors in the middle of nature. From pictures to reservoirs and huts, you can create anything you want. We start at 10:00 am at the Sunegg car park meeting point and will be out and about together until 3:00 pm. There will be a barbecue at lunchtime - please indicate when registering if your child is a vegetarian.

A special highlight: From 2.30 pm, we cordially invite all family members to the vernissage - where you can marvel at the artworks created together. A day full of nature, creativity and fun - we look forward to seeing you!

The event will only take place in good weather.
