Woodrock Festival

🕒 **Thursday 14:00 o'clock**

Duration: 6 hours

Woodrock is back - and how! Three days full of music, encounters and festival feeling. For over 30 years, the festival organized by Offenen Jugendarbeit Bludenz - Villa K. has stood for lively youth culture, creative freedom and genuine participation.

Description

In 2025 you will experience a festival that unites generations - with music that goes deep into the heart and fills every corner of the festival site.

Thursday - Kidsday (July 17)

A day just for kids and all those who are young at heart: Hands-on circus, face painting, bubbles, children's disco with 8-year-old DJ FLIX - and the big highlight: Heavysaurus! The dino rockers bring child-friendly heavy metal to the stage - to sing along, rock along and laugh along. Families welcome!

Friday - Live & loud (July 18)

Friday gets the stage shaking - with a trip with Franziska and Krauthobel, two live acts guaranteed to give you goosebumps, energy and a great atmosphere. To be experienced live for the first time in Vorarlberg: Retschn Ernst sei Maschin - exclusively at Woodrock 2025. If you still want to dance afterwards, stay for the aftershow with KREIS FLOW LUST - hosted by TIMELESS.

Saturday - Variety & Finale (July 19)

Things get really intense once again at the end: Riot & Us, Lary and the Lobsters, Rovar and Transmitter deliver a diverse line-up ranging from indie to alternative to electro. And if you think that's it - stay for the big closing party with IMPACTIC and once again KREIS FLOW LUST, where sound, light and movement become one.
