June 19 - 24 and August 21 - 26

About 40 events are on the program: chamber concerts, song recitals, and piano concerts form the focus. Year after year, outstanding artists and ensembles are guests in the Angelika Kauffmann Hall, from where views extend over meadows and mountains. During the Schubertiade, various artists showcase their treasures in small but fine exhibition rooms in the town center. The restaurants and cafés have extended opening hours. Many locations have their own Schubertiade buses that take attendees to the concerts in Schwarzenberg.
