Car park/underground car park in the centre of Bludenz.

Detailed description

Day tariff:

06:00-20:00 per 20 min or part thereof = EUR 0.50

Night tariff: 20:00-06:00 per 40 min or part thereof = EUR 0.50

Sundays and public holidays: 00:00-24:00 per 40 min or part thereof = EUR 0.50

All-day tariff: EUR 15.00

63 barrier-free parking spaces.

Two of the spaces are specially designed disabled parking spaces and two others are equipped with electric charging stations.

The underground car park is open daily around the clock and is equipped with a standard ticket system. Ticket machines are located on the ground floor and basement level and can be reached conveniently and safely via the building's passenger lift.

Payment is made in cash or by card.

The underground car park can be accessed and exited via the "rear" side, the north side of the building. To simplify access with the aid of navigation systems, a new address has been created that leads directly to the entrance and exit. If you wish to navigate to the underground car park, you will be directed to Zürcherstrasse 6. The address of the office building, which faces Herrengasse, is Herrengasse 27. The entrance and exit to the garage and access to the lift system are also on this side. This is also the shortest walk to the city centre.
