

Sportmed Vorarlberg

CLINIC/HOSPITAL

DOCTOR

📍 Gesundheitscampus Bludenz, 6700 Bludenz

Orthopaedic and trauma surgery practice with state-of-the-art medical care in a central location in Bludenz.

Detailed description

Located on the Bludenz health campus, the orthopaedic and trauma surgery clinic combines state-of-the-art medical care with a central and easily accessible location - perfect for guests who need medical assistance during their stay.

SPORTMED Vorarlberg offers:

Flexible and rapid assessment and treatment: thanks to close cooperation with the in-house radiology department and physiotherapy, sports injuries, orthopaedic complaints and other musculoskeletal problems can be treated quickly and comprehensively.

Short-term radiological diagnostics: MRI and X-ray examinations can be carried out directly on site without long waiting times.

Surgical care and stay: For surgical procedures, care is available with stay options of up to 72 hours.

Specialties:

Treatment of sports injuries (e.g. knee and shoulder injuries) as well as fractures and their follow-up treatment

Orthopaedic care for musculoskeletal complaints

Pain therapy and shock wave therapy

Manual medicine, neural therapy and autologous blood therapy
