So klingen unsere Alpen - Klostner Äpele

🕒 Sunday 18:00 o'clock

This is how our Alps sound

Description

Experience traditional alpine sounds amidst the mountain world of Klostertal. There, where this music has its origin, alpine musicians play on various mountains – nestled between meadows and peaks. Impressions of this sound world can be heard in the autumn at the Heimatmuseum Klostertal in an exhibition.

Klostner Äpele: Music from 6:00 PM

A LEADER small project - supported by the federal government, state, and European Union.
