 [view on map](#)

Guided snowshoe tour in Raggal/Marul. Route selection according to snow conditions.

Hint / Advice

Tour depending on snow conditions:

Variant 1: Panorama Trail Raggal - Ludescherberg

Starting at the village fountain, you will pass by old farmhouses and reach a terrain terrace in pristine winter scenery to the viewpoint Grüneck, offering a dreamlike view of a snow-covered mountain landscape.

Variant 2: Raggal – Marul – Alpe Stafelfeder – Guggernüllli

From the parcel Ahorn, you will hike in solitude and tranquility over snowy mountain meadows to the Alpe Stafelfeder and further to Guggernüllli. The path rewards you with a wonderful view of the opposite core zone of the biosphere park – Faludriga-Nova.

Variant 3
