Basic Ski Touring Course on request

🕒 Sunday 0:00 o'clock

Duration: 1 day

In the ice climbing basic course, you will learn the proper handling of ice tools, crampons, and ice screws, as well as climbing and belaying techniques on steep ice.

Registration

up to 10 days before the start of the event (remaining seats can also be booked at short notice) online at walserguides.at

FAQ / good to know

You are **alone** and would like to participate in this or another event from our program? But you prefer to be on the road in a **group** or don't want to miss out on the **price advantage** of having multiple participants?

No problem!

Register provisionally, and if we do not yet have any other participants for your date, we will take care of it. If the tour does not take place, there will be no costs for you.

Equipment

We bring a selection of ice climbing equipment and crampons that you can try out.

If you have your own equipment, please bring it (especially crampons, as glacier crampons are also suitable for ice climbing on frozen waterfalls).

Included services

Course led by a state-certified mountain and ski guide.

Bring along

A detailed equipment list will be provided after your registration.

Price

from 4 people each € 165.00

3 people each € 210.00

2 people each € 290.00

(The number of people refers to all registered participants)

Requirements

Experience in climbing and belaying on rock or in a climbing gym.

Meeting point

In an ice climbing garden in Vorarlberg, Liechtenstein, or eastern Switzerland (depending on the conditions).

Hint / Advice

max. 6 participants per mountain guide
