EVENT ROOMS/HALLS/LOCALES

📍 Jagdbergstraße 29, 6721 Thüringerberg

The event hall at the Türiingerberg.

The 'Sunnasaal' was built in 1993/1994 and was honoured with an architectural award. Designed as a cultural hall, it is used for both school sports and cultural events.

The stylishly designed hall offers an impressive view of the Walser ridge to the north and the Rätikon to the south. With seating for around 180 people, it is ideal for weddings. The glass panes of the foyer can be opened so that the guest garden can be integrated during events. With seating and a gallery, the hall can accommodate up to 300 guests.

The Sunnasaal is catered by Gasthaus Sonne.
