Wiesweg | Raggal - Ludescherberg

EASY | REFRESHMENTS | PANORAMIC | FAMILY-FRIENDLY | THERE AND BACK

Tour description

An easy hike for the whole family across flower-strewn meadows (especially in early summer) and always with a view of the Walserkamm on the opposite side of the valley.

This hike starts in Raggal, leads past the church up to the Lärchenhof. After a short climb, the meadow hiking trail leads almost level out to Ludescherberg. From Ludescherberg, return via the same path or alternatively on the asphalt road, past the sports field, back to Raggal to the starting point. In spring and early summer, the area is an insider tip for all lovers of colourful meadow diversity.
